

Mr Brain Printable Puzzles

Teacher Resource #11

A small collection of printable puzzles designed for classroom use, early finishers, brain breaks, or quiet independent work. This resource includes a mix of visual, number, and logic puzzles with simple instructions and a range of difficulty.

What's Inside:

- 1. Association Game** – Print and cut out the 16 cards, then have students work together to sort them into four groups of four related items. The activity is designed for small-group discussion and reasoning, but it can also be completed individually.

Designed for elementary-age puzzle solvers. Teachers can choose activities based on their students' experience and ability.

License & Use

This resource may be printed and used for personal and educational purposes, including classroom use.

You may make copies for your own students or household.

Reselling, redistributing, uploading, or including any part of this resource in another product is prohibited.
