

Mr Brain Printable Puzzles

Teacher Resource #6

A small collection of printable puzzles designed for classroom use, early finishers, brain breaks, or quiet independent work. This resource includes a mix of visual, number, and logic puzzles with simple instructions and a range of difficulty.

What's Inside:

- 1. Number Fill-In Crossword** - Fit all the given numbers into the correct spaces in the crossword-style grid. Use the number of digits and crossing digits to help you.
- 2. Math Pyramid** - Add the two numbers next to each other to find the number above them. Continue until you reach the top.
- 3. 6×6 Sudoku** - Fill the grid with the numbers 1 to 6. Each number can appear only once in every row, column, and outlined box.
- 4. Find the Differences** - Compare the two pictures and find all the things that are different.

Suggested use: Individual work, early finisher activity, brain break, homework, or small-group practice.

Designed for elementary-age puzzle solvers. Teachers can choose activities based on their students' experience and ability.

Difficulty may vary between individual puzzles.

License & Use

This resource may be printed and used for personal and educational purposes, including classroom use.

You may make copies for your own students or household.
